---

Students, parents, and educators are always looking for educational funding resources.

Thanks in part to Volunteer Manatee in Sarasota, below is a nationwide listing of 130 useful websites for students, their parents, and educators can use to search for scholarships, grants, internship opportunities, and college information. A special Thank You to Missy Gimble at Whitehouse High School for finding this list.

Feel free to share these website links with anyone that may benefit from these resources.
